GO AND...Be Present (Nebraska Synod theme for the month of December)

As we await and celebrate Christ's birth, we remember that God is present and shows up. The babe in the manger, God incarnate, is God's gift of deep love for us. We are invited to pause, be still, and be fully present in this holy season. Society calls us to a different place where busyness, spending, and rushing about are marks of success. God, in Christ, offers another way: **Emmanuel—God with us.**

Questions to consider:

- > What can I add to the season that would truly allow me to pause?
- > What tradition do you have that nurtures being present at this time of year?
- > As you are on the **GO**, how are you going to practice being present?

Prayer: Emmanuel, you are present with us. Help us to be present with each other. Amen.

Dear Church Family,

"For nothing is impossible with God." Luke 1:37

This was angel Gabriel's answer when Mary asked, "How will this be, since I am a virgin?" How often do I forget that **for nothing is impossible with God!** Even in a time of war, famine, political unrest, and epic criminal scheming. I find inner peace when I recite, "**For nothing is impossible with God.**"

I move away from anxiety and hopelessness about the lack of goodness in my fellow man, into the realm of God's kingdom here on earth. When it seems that humanity is bent on burning everything to the ground, I have to remember that God is at work behind the scenes, doing what God does best.

Lately, my dreams have changed which usually indicates a change is coming! God does speak to us in our dreams! Dreams are God's best work. In our dream world, we are not distracted by our electronic devices or any of the world's myriad of false hope. No, God has our full attention in our dream world and God does take full advantage of it. **For nothing is impossible with God!**

As the angel Gabriel spoke to Zechariah about the birth of his son John, and as the angel Gabriel spoke to Joseph to take Mary as his bride, the angel Gabriel came to Mary to reassure her about God's plan of salvation for her and this world through her son, saying, "**For nothing is impossible with God.**"

So, as we await and celebrate Christ's birth, please remember that God is present and near. I invite you to pause, be still, and be fully present in this holy season. God, in Christ, offers us the one and only way to pause: **Emmanuel—God with us.**

Sincerely Pr. Jer

Zion is helping Blue Valley Community Action Wishlist program this year by adopting children who are in need of a Christmas miracle. Through this program you can adopt a star that represents a Gage County child. If you or your family, church group, or Sunday School class would like to adopt a child, simply take the star, shop for them, and **return the star and unwrapped gifts in a bag by December 10.** Those gifts will then be returned to Blue Valley Community Action to be delivered to the recipient.

If you don't feel like shopping our Candlelight offering will be supporting this program through Blue Valley Community Action. There are currently approximately 150 youth in need of this program this year. We are currently working to secure a Thrivent grant to help with this project.

Help us make Christmas merry throughout Gage County.

Thank you to everyone that took the time to send birthday greetings to Bernice for her 95th birthday. She has enjoyed hearing from so many of her Zion friends and reading all the cards.

Thank you to the Memorial Committee for the donation of candle holders for the Candlelight Service.

Dear Zion Lutheran,

Thank you for your generous gift of \$500.00, which was received on November 8th, 2023 from Zion Lutheran Church, Your gift has been designated to support the Carolyn Scott Rainbow House, as you requested.

The Rainbow House has been a welcome home-away-from-home to thousands of families since it first opened its doors in 1983. When a child requires a lengthy hospital stay, the Rainbow House provides relief in so many ways, It serves as an inexpensive alternative to hotel costs...provides a restful and loving atmosphere where families can get a meal and be together...and becomes a source of support when they meet other families who understand all too well the stress of a child's extended hospital stay and the toll it takes on everyone.

Your generosity helps make this all possible as the Rainbow House depends on the caring support of people like you to continue in its mission. We cannot thank you enough for this wonderful gift to the patients and families served through Children's Hospital and Medical Center.

Sincerely

Beth A Greiner
