

Dear Church Family,

Our **Ministry Site Profile (MSP)** committee is in the process of finalizing our profile to submit to the ELCA. This Team is sharing the story of Zion, our mission & who we are. Once complete, the MSP is submitted to the Bishop for approval & ultimately posted on the ELCA website as **Ministry Opportunities** for those seeking a church. The call committee will be formed at a later date. **Pastor Greg Berger, Assistant to the Bishop, will be at Zion on June 8th to preach and discuss the process in more detail.**

During the transition and until we find an Interim Pastor, we will call on Pastors listed on the **ELCA Pulpit Supply** to lead our services. Please refer to the monthly newsletter of when communion will be offered and those leading our services each Sunday. We appreciate your patience, support, and flexibility during this process along with your prayers to help guide us during this time.

If you are in need of Pastoral care or have any questions, feel free to reach out to myself or any council member. Thank you for your support as we travel this journey together.

Thank you's

Thank you so much to Zion Lutheran Church and its members for your generous offering donation and support for my work with the Navigators. My role with the Navigators includes training and care for equipping missionaries to share the gospel among the lost in different parts of the world, seeing the kingdom of God advance to every tongue, tribe, and nation. As full time Navigator missions staff, I am required to raise full support for my salary, benefits, and ministry expenses from family, friends, and churches as part of my ministry. Your support means so much to me and is a huge blessing to the ministry God has called me to. I will also be speaking at Zion's Missions Festival later this year if you are interested in hearing more about my ministry and how God is at work.

Laboring with you,
Cassie Thornburg

I would like to thank the congregation for the beautiful plant that they gave me on Mother's Day. It must have four different plants in it, so I will be able to enjoy all summer long! Thank you again ~ Mildred Fossler
