

From the Pastor's Cup...

Dear Church Family,

APRIL SHOWERS BRING MAY FLOWERS!

May is a month of transitions. What does the month of **May** remind us of?

"It was the month of May, the month when the foliage of herbs and trees is most freshly green, when buds ripened and blossoms appear in their fragrance and loveliness. And the month when lovers, subject to the same force which reawakens the plants, feel their hearts open again yearning for a renewal of the magical awareness which is love." Almanac

It is the month when we celebrate graduations, Mother's Day, weddings, reunions, the end of school for another year, and the beginning of summer. We transition out of one season of the year into the next season of the year when being outdoors is the norm rather than the exception.

We also add to this transition such fun as travel and vacations, ball games and tournaments, picnics and fairs, gardening and farming, and camping and parks. But even with all this playful activity, there will be the need for rest and relaxation, and maybe a book to read.

I have been reading the book **Nearing Home: Life, Faith and Finishing Well** by Billy Graham. On page one, Billy Graham writes:

"Growing old has been the greatest surprise of my life. The young live for the here and now. Thinking ahead seems to be in the form of dreams that promise fairy-tale endings. Though I am nearing ninety-three, it doesn't seem so long ago I was one of those dreamers."

I find this book a good primer for what to expect as I grow older, and also what adult children should expect as their parents grow older. **TRANSITIONING well with GRACE!** Billy Graham shares the challenges of failing strength but still standing strong in our commitment to finishing life well.

This book is all about finishing well the life we have been given. Billy Graham writes, "I would have never guessed what God had in store me, and I know that as I am nearing home, He will not forsake me the last mile of the way."

Any guesses on what was Billy's dream when growing up? **BASEBALL!** There were few things he loved more than baseball, and as a young man he dedicated himself to the sport and hoped that his passion would take him straight to the major league. His goal was simple: stand at home plate, with bat in hand, immersed in as important game. He often pictured himself hitting a big league grand slam into the stadium seats hearing the crowd roar as he ran the bases, **nearing home.**

Billy Graham did fill stadiums with people not because he was a baseball player, but as God's voice in a world dying to hear the Good News of Jesus Christ. What a **TRANSITION** that was. God made the impossible possible, running the bases with Billy as he **neared home.**

One last quote from the author, "Growing older with grace is possible for all who will set their hearts and minds on the Giver of grace, the Lord Jesus Christ."

God bless, Pr. Jer

JAVA & MOVIE SUNDAY FELLOWSHIP

We will gather at 9 am in the fellowship with coffee on Sunday, May 1st for the Sight & Sound Theater production of **NOAH**. This past December we watched the marvelous Sight & Sound Theater's production of **Jesus**. This is NOT a Bible study so come and join us and who knows we all might learn something new.

Filmed in front of a live audience, **NOAH** is an original stage production from Sight & Sound Theatres that takes you on board one of the world's best-known voyages as live animals fill the stage and aisles. Set sail inside the enormous ark in this extraordinary Bible story that has captivated audiences for generations! It is a 2 hour and 15 minute production that will be divided over many Sundays in May.

We thank Ruth Huls for providing us her DVD copy of this production,

ANNOUNCEMENTS AND THANK YOU'S

It happened much too soon, but here we are again. It is with much Gratitude we Thank You for the many expressions of sympathy - whether it was with cards and wonderful messages, thoughts and prayers, phone calls, visits, food, floral arrangements or memorial donations for St Jude's Children's Hospital. Your support of our family during this challenging time humbles us. Many of the cards/messages confirmed what we already knew - that Dad was very respected and loved! We are so Blessed! Dad has finished his chores. He has waited his whole life to hear Him say "Well Done my good and faithful one-Welcome to the place where you belong." He has run the race and now he is Home.

My Dad

Now that I'm grown I realize
The silent teachings of his eyes.
Few words were ever spoken and yet
The heartfelt thoughts are with me yet.
Plowing God's earth was his trade
Giving back in return of what he made.
Working hard from sun to sun
Always there for work to be done.
A faithful and religious man
He taught me how to pray.
To appreciate everything in this world
And accept life day to day.
Lord, you sent him to earth years
Ago to touch our lives, and then-
You welcomed him to heaven
To be with you forever. Amen

Thank you! The family of Lawrence Gronewold
